U.S. AIR FORCE

# MSCLEA

*Immediate Response*

Example

1995, San Diego, CA

“The emergency authority authorizes prompt and vigorous Federal action, including use of military forces, to prevent loss of life or wanton destruction of property and to restore governmental functioning and public order when sudden and unexpected civil disturbances, disaster, or calamities seriously endanger life and property and disrupt normal governmental functions to such an extent that duly constituted local authorities are unable to control the situation.”

(DoD Dir. 3025.12 para F4.1.2.3.1.)

# Scenarios

- **You've received a request to send one of your fire trucks off base to help with a fire at a home three blocks from your main gate.**
- **You've been asked to send 100 personnel to help fill sandbags because the local river is flooding the river banks.**
- **A powerful band of thunderstorms moved through town and now roads are blocked with debris. You're asked to send front end loaders, trucks and personnel to clear roads.**
- **An airliner crashed in a field six miles from base. You're asked to provide security of the site and temporary morgue space.**
- **The local Mayor asks you to help evacuate 150 residents from a low lying area that's expected to get hit by a hurricane in 24 hours.**
  - **There's a National Guard transportation unit 25 miles away.**
- **The Forest Service asks for base fire fighters to help fight a wildfire in a forest 100 miles from the base**
